

## Introduction

### **What does it feel like when our bubble is burst?**

- ⇒ *Talking about healing is tricky because we might feel, “tried that before and it didn’t work. I don’t want to be hurt and disappointed again”. How do we open ourselves up to the possibilities of Jesus as healer?*

### **Story 1a - Jesus and Jarius (Mark 5:21-34)**

- ⇒ *Jesus was known as a healer. Bible records 31 individual healings and 11 mass healing events. Crowds would gather because Jesus can heal.*

### **Story 2 - Jesus heals the Blind man. (John 8:1-38)**

- ⇒ *Whose sin caused this man’s blindness? Jesus clearly says that sin did not cause this man’s blindness. Most illness is not caused by sin.*
- ⇒ *“Whether Jesus is a sinner or not, I don’t know. All I know is that I was blind and now I can see”. [John 8:25](#)*
- ⇒ *Jesus does not just heal physically but spiritually, emotionally, mentally, socially. Jesus healing can be physical but is much, much more.*

### **Story 1b - Story 1a - Jesus & the woman with bleeding (Mark 5:21-34)**

- ⇒ *This woman had not only suffered for 12 years, but had been deemed unclean, a social outcast. She was consumed, crushed, exhausted and broken - physically, socially, emotionally, financially.*
- ⇒ *If only I could touch the hem (wings) of his garment, I will be healed. See the Messianic Prophecy in [Malachi 4:3](#)*
- ⇒ *Jesus wanted to affirm the woman personally, to bring peace her heart and soul and restore her to her community.*

### **From what do you need healing today?**

***It’s time to reach out to Jesus and ask for healing.***
