REVEAL

SPIRITUAL SURVIVAL

During the fortnight of the 11th to 26th September our church will be conducting a "Spiritual Life" survey. Any person attending church will be given the opportunity to complete and answer questions about their spiritual relationship with God and what they could do to be helpful in their spiritual journey. All answers will be confidential and will be used in its Vision planning. More details...

Thankyou, Thankyou, Thankyou!

Thankyou to all who supported the Trivia Night last night. It was an amazing success with all funds raised going to support our short term mission trip to Cambodia in 2011. We were also overwhelmed with the amount of undies and other goodies for the children in the "Destiny Rescue" child-care centre in Phnom Penh which we will be visiting and supporting. **A special big thankyou to the Atkins family who helped organised the night.**

Thanksgiving Sunday

Sunday 19th September

This is a day when the church thanks to God for all his blessings to the church and as individuals over the past 12 months. Details of the special offering will be available...

Please Pray for our Church and Community

- We pray for Mike, Jacky, Josh and Chris Hammond as they settle back into the mission field in Malawi after their time home in Australia. We pray especially for Chris as he prepares to start high school.
- Pray for students who are doing the HSC this year, we particularly think of Cameron Harrison, Matt Dismorr and Jessica Swinnerton.
- We pray for healing of Michael Tolar who has been diagnosed with acute phrenic nerve palsy, which gives him difficulty breathing.
- Pray for Beryl Perry who is in Mount Wilga hospital for rehabilitation after a hip replacement and for her husband, Colin, who has pneumonia.
- Pray for the mum at our Preschool who has been recently diagnosed with breast cancer.
- We pray for all that we know who are unwell or recovering. Dawn Pearce's sister is improving, thank you for your prayers. Praise God for the great news that Matilda, Maureen Hornidge's grand-daughter had no leukaemia cells found during her most recent tests.
