Vision 2011

Recent events have made it difficult for the ministry team to follow through with your Vision 2011 responses (which you filled in two weeks ago). We apologise for this but are endeavouring get things started as soon as possible. Unfortunately the "indepth" bible study has been pushed back to after Easter. However, The "GROW" website has been set up for the on-line studies and discussion groups and is being launched today. The address is www.northrocks.org.au/grow but you will need a username and password to access. If you need one, email Phil to organise it for you.

The grounds maintenance roster for 2011 has a few gaps in it. If you are able to help out in this area, please add your name to the roster, which is on the table near the church entrance. Thanks.
